This collection of information is required by 37 CFR 1.137(b). The information is required to obtain or retain a benefit by the public which is to file (and by the USPTO to process) an application. Confidentiality is governed by 35 U.S.C. 122 and 37 CFR 1.11 and 1.14. This collection is estimated to take 1.0 hour to complete, including gathering, preparing, and submitting the completed application form to the USPTO. Time will vary depending upon the individual case. Any comments on the amount of time you require to complete this form and/or suggestions for reducing this burden, should be sent to the Chief Information Officer, U.S. Patent and Trademark Office, U.S. Department of Commerce, P.O. Box 1450, Alexandria, VA 22313-1450. DO NOT SEND FEES OR COMPLETED FORMS TO THIS ADDRESS. SEND TO: Mail Stop Petition, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

If you need assistance in completing the form, call 1-800-PTO-9199 and select option 2.

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

3. Terminal disclaimer with disclaimer fee

Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.

A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$ _____ for a small entity or \$ _____ for other than a small entity) disclaiming the required period of time is enclosed herewith (see PTO/SB/63).

4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. [NOTE: The United States Patent and Trademark Office may require additional information if there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c), subsections (III)(C) and (D)).]

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

PETITION FOR REVIVAL OF AN APPLICATION
FOR PATENT ABANDONED UNINTENTIONALLY UNDER 37 C.F.R. § 1.137(b)
STATEMENT OF FACTS

Mail Stop PCT
Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with 37 C.F.R. § 1.137(b), the following is a statement of delay caused by unintentional circumstances.

1. The present application was filed on July 28, 2005 as a U.S. national stage application, based on PCT/FR2003/002607.
2. A Final Action was sent on 18 May 2009, having a response being due by 18 August 2009.
3. A response was not filed, such that the application was constructively abandoned on 18 November 2009.
4. A Notice of Abandonment has not yet been received.
5. The present petition is less than three months after the date the U.S. Patent and Trademark Office sent the notice of abandonment to Applicant's attorney. The

- Notice of Abandonment has not yet been received. The period of delay was unintentional because the period has not yet started.
6. The present petition is less than one year after the date of actual abandonment by the U.S. Patent and Trademark Office.
 7. The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 C.F.R. § 1.137(b) was unintentional.

Applicant petitions for revival based upon unintentional delay, and Applicant has included a proper response, comprising a Notice of Appeal. A Terminal Disclaimer is not required for this post-1995 utility patent application. Applicant files the required reply to secure revival of the patent application for grant of the U.S. Patent, as all requirements have now been satisfied.

The present Petition for Revival is less than one year of the actual abandonment and less than three months after receiving notice of Abandonment. The entire period of delay, until the filing of the present grantable petition, was unintentional.

Applicant respectfully requests granting the Petition to Revive because the Applicant never intended for the application to be abandoned. Applicant respectfully contends that the application is now in a proper condition for consideration on appeal. The government fee of \$810 for a small entity is attached. Any additional fees for the petition to revive or any overpayment with regard to this petition may be credited or debited to Deposit Account 08-0879.

Respectfully submitted,
